The ELR Coupe (discontinued in 2016) featured a powerful electric drive system, an athletic chassis for an energetic drive and an optional sport package – all of which made it a true driver’s car. “I like it and would buy the SRX again. ” I don't like the small spare tire, but other than that I like the car. For having a four cyl. engine it is fairly snappy, I was concerned about the way the car handled until Cadillac put out a recall and tightened the suspension, it handles great now. The Cadillac SRX receives a number of upgrades for 2007. First on the list is an updated interior. Cadillac has redesigned the instrument panel and center console and improved the quality of the ...
