Yeah I saw the diagram, but I am looking for actual connector info as well and I don't think it tells me that. Just the wire colors. Plus I just tried to print my 2007 Apex Manual as I know the info on it so I can see if it's there and it wont let me print anything. you can save it, but you cant print from the PDF at all...it's locked...yet the link you posted is not locked.
