Monte carlo fan company quality ceiling fans owner's manual 8atr44 (5 pages)BEST ANSWER: Hi - this is a pull-chain ceiling fan, but there is an optional wall control offered by the manufacturer. But, the features of the fan can only be controlled by one wall control. I would recommend using a hand-held remote control for multiple controller options. The Hampton Bay Universal 3-speed ceiling fan remote control adds convenient functionality to your ceiling fan. The remote is able to control the speed of your fan as well as control the lights of the ceiling fan with On, Off, and dimming options. Control the speed and light of your fan effortlessly using Universal Wall Mount Ceiling Fan Control designed by Hunter. Includes wall plate.
